## Lions Clubs International

Honiton & District Lions Club is a member of the worldwide service organization, Lions Clubs International, the Mission Statement of which is:

*To empower volunteers to serve their communities, meet humanitarian needs, to encourage peace and promote international understanding through Lions Clubs.*

Honiton Lions Club was formed in 1977 and over the years has raised, and donated, tens of thousands of pounds to charities and worthy causes locally, nationally and internationally. However, without the support of our local community and from events such as this we would not be able to carry out the work we volunteer to do.

This year the club is trying to support as many local small Honiton and Ottery St Mary Charities' / clubs, organisations and their events as possible to assist with good causes.

The Honiton Lions Classic Car/Vehicle Show is held on the town's 761<sup>st</sup> Anniversary of the granting of the Honiton Market Charter. Take a walk around, join in, and see what else Honiton has to offer.

Thank you for your support. Enjoy a great day out. Show off your Pride and Joy and help us to raise funds for our chosen charities at the same time.
